3270 University Statement on plagiarism
   (Papers 3305 & 3306 refer)

The Board approved the proposed statement and recommended that the new plagiarism website, together with any other information which is distributed, should:
1) distinguish between poor scholarship, which is not a deliberate act as opposed to a breach of academic integrity, which is a deliberate act;
2) provide examples of penalties;
3) provide subject-specific examples of plagiarism.

Action: Education Section

3271 Points Based Immigration System: reporting requirements

The Board agreed that whilst in principle it was a good idea that all students should formally enrol at the start of each term, in practice this may create a burden on Colleges. It was agreed that since enrolment for overseas students would be mandatory under the Point Based Immigration System this should be encouraged but that the requirement for home/EU students to enrol should be referred to the Graduate Tutors’ Committee. The Board agreed that it was not feasible to expect supervisors to submit termly reports using the current version of CamGRAD and asked the
Secretary to contact the Head of MISD to discuss possible improvements to the system.
